

ES03 Evolve Boot

Typical Industries

- Automotive
- Uniform
- Engineering
- Transport
- Warehousing
- Emergency Services
- Security

Description

A safety footwear style that has stood the test of time, the Evolve Boot features a water resistant leather upper to keep feet dry, plus a padded collar for ankle support. It has both steel toe cap and midsole protection and the hardwearing, dual density PU sole is shock absorbent, anti-slip, anti-static and fuel oil resistant.

Key Features

- Water resistant leather upper
- Steel toe cap and protective midsole
- Dual density shock absorbent, anti-slip, anti-static and fuel oil resistant PU sole
- Energy absorbing heel reduces foot fatigue
- Padded collar for ankle support
